SPECIAL REDUCTIONS on all LADIES' SHIRT WAISTS

TO THE PUBLIC.

This booklet has the sanction of the Executive Committee of the Seventh Annual Regatta and is published as an official regatta souvenir by their authority. It speaks for itself in aiming to give to the public an official roster of regatta officers, and facts of interest connected with this water carnival, and to place at the disposal of our guests a little souvenir of their visit with us and at the same time being a source of information in all matters relating to our carnival.

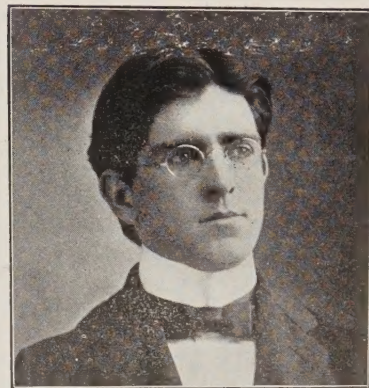

R. G. PRAEL, Treasurer.

CHAS. H. STOCKTON, Chairman.

atic and field sports. To our visitors we wish God speed and trust you may meet with us again next year.

JOHN C. McCUE, Secretary.

We feel that we are warranted in saying that the regatta is the great event each year in Astoria and the committee have aimed to uphold the reputation made by Astoria in past years, in giving our visitors first class aqu-

Large well ventilated surgical and general wards, and comfortable well lighted private rooms. Reputable physicians invited to treat their patients here where they will receive every care and consideration.

Terms on Application to

SISTER SUPERIOR.

## RULES AND REGULATIONS.

The Regatta Committee have full power over all races. All questions arising in the sailing of various events shall be settled by the judges, and their decisions shall be based upon these rules so far as they will apply, and such decisions, if no appeal is made to the general committee, shall be final. The judges shall make reports of the results to the general committee of each days races, within five hours from the ending of the last race, after which the secretary shall give to the owner of each winning boat, an order on the treasurer, approved by the chairman of the general committee, for prize won, if no appeal be made as above.

**Rule 1. Measurements.** Owners desiring to have their boats measured shall give notice at regatta headquarters, within a reasonable time before the first day of the regatta.

**Rule 2. Entries.** All entries must be made at regatta headquarters before the first day of the regatta. Entry fees for all sailing and rowing races, one dollar.

**Rule 3. Prizes.** No prize shall be awarded in any race unless two or more contestants start.

**Rule 4. Classifications, Courses and Sails.** Will be designated by the regatta committee in each days program.

Every sloop shall carry her private signal at the peak. A Racing flag must also be carried by catboats at the masthead. Any sloop or catboat not complying with this rule, unless prevented by an accident occurring after starting, shall forfeit all claims to a prize.

**Rule 5. Meeting.** Boats going free must always give way to those by the wind. Boats on the starboard tack shall have the right of way. If two yachts are meeting end on, or nearly end on, so as to involve risk of collision, the helms of both shall be put to the port so that each may pass on the port side of each other.

**Rule 6. Overtaking, Rounding, Etc.** A boat overtaking another shall keep out of her way, but when rounding any buoy or vessel used to mark out the course, if two yachts are not clear of the mark, whether it be the lee or weather boat which is in danger of fouling it. No boat shall be considered clear of another, unless she is so much ahead as to give the other a free choice on which side she will pass. An overtaking boat shall not, however, be justified in attempting to establish an overlap, and thus force a passage between leading boat and the mark, after latter boat has altered her helm for purpose of rounding.

**Rule 7. Obstructions to Sea Room.** When passing any obstruction to sea room, should boats not be clear of each other, the outside boat or boats must give room to the boat in danger of fouling

such obstruction whether it be the lee or weather boat; provided, always an overlap has been established before an obstruction is actually reached.

**Rule 8. Luffing and Bearing Away.** A boat may luff as she pleases to prevent another boat from passing to windward, but must not bear away out of her course to hinder the other passing to windward. The lee side to be considered that on which the leading boat of the two carries her main boom. The overtaking boat, if to leeward, must not luff until she has drawn clear ahead of the boat she has overtaken.

**Rule 9. Close Hauled Approaching Shore.** If two boats are standing towards a shore or shoal, or toward any buoy, boat or vessel and the boat leeward is likely to run aground, or foul of such buoy boat or vessel (except as provided in rule 6) and is not able to tack without coming into collision with the boat to windward, the latter shall at once tack on being hailed to do so by the person sailing the leeward boat, who must see that his own boat tacks at the same time.

**Rule 10. Fouling.** Each of the boats must fairly round the course, and must not touch any buoy or vessel need to mark it out, but shall be disqualified if wrongfully compelled to do so by another boat. If a boat in consequence of her neglect of any of these rules shall foul another boat, or compel other boats to foul, she shall forfeit all claims to the prize, and shall pay all damages.

This rule applies to fishing boats (anchor start) only after they have rounded the first buoy, no foul being allowed from the start to the first buoy.

**Rule 11. Propulsion and Sounding.** No means of propulsion, except sails shall be allowed. Nothing but a hand line and lead shall be used for sounding during a race.

**Rule 12. Protests.** Any boat desiring to protest must at once show the regatta signal conspicuously in the rigging, and keep it flying until she has crossed the line or has entered her protest. Protests must be made in writing, within two hours after the conclusion of the race.

**Rule 13. Sails.** Scow schooners and cannery tenders will use only their working sails. Fish boat race, working sails, sails limited to 46 yards mainsail and 26 stunsail. In fish boat race, racing, no limit to sails. Winner of first prize in the fishboat race, (sailing) first day will not be allowed to participate in the second day's race.

**Rule 14. Starting.** Five minutes before the time for starting of each race a preparatory gun will be fired from the flagship. The second gun is for starting and any boat failing to cross the line within 5 minutes after the second gun shall be disqualified.
